SUMMER CAMP

You will spend your summers at Drexel University exploring science & technology, personal development, and sports & adventure. Eureka! girls will learn about leadership, healthy relationships, and communication. You will also practice swimming and try activities encouraging healthy risk taking with Penn Athletics.

COLLEGE BOUND

College readiness is another major focus of the Eureka! program. We offer workshops to support you and your family to navigate the college application process including essays, financial aid, scholarships, and preparation for the SAT and ACT. In addition, you will attend courses on Drexel University's campus and work with Drexel professors.

INTERNSHIPS

Eureka! will equip you with the skills needed to succeed in any career. During this program, you will be matched with a company that fits your career interests for a paid internship.
