

# Champions for Girls

The Girls Inc. **Champions for Girls** program brings together individual philanthropists from across the U.S. who are dedicated to inspiring girls to be strong, smart, and bold. This national network is part of a community of advocates for girls and young women who, through their support for Girls Inc., create lasting positive change within their local communities.

Girls Inc. of Greater Philadelphia & Southern New Jersey Champions for Girls provide significant support for direct service and advocacy initiatives designed to encourage girls to value themselves, take positive risks, and discover and develop their inherent strengths.
